

Indiana Section of the American Association of Physics Teachers

Call for Papers

The **annual spring meeting** of the Indiana Section of the American Association of Physics Teachers (AAPT) will be held on **Friday, April 29th and Saturday, April 30th at Indiana University – Purdue University in Indianapolis, IN.**

On Saturday morning, we are organizing a contributed papers sessions. We need papers from all of you in order to make this program a success, so please consider sharing your ideas and experiences with other physics instructors. Plan now to attend and make a presentation in the paper session! Please note that detailed program information will be included in a future mailing.

Suggested Paper Topics:

- **A novel way of presenting an idea or a concept;**
- **A demonstration or series of demonstrations;**
- **A student project or activity for a physics class;**
- **Physics research;**
- **Physics education research;**
- **Any idea that would be useful to physics teachers at any level of instruction.**

All abstracts must be received by March 18 to insure inclusion in the program. Please prepare your submission according to the following guidelines:

- All copy must be **typed and double-spaced**;
- Including footnotes, text must be **limited to 150 words**;
- Include author's names, school or company affiliations, addresses, zip codes, and office telephone numbers for those not able to hear your paper in person;
- References must be set in the text in brackets, not as footnotes;
- Please list a **possible session topic** that would be appropriate for your paper.

Presentations will be scheduled to run 15 minutes including questions. Special time requests will be considered if time permits. Please indicate any **special equipment needed.**
